

# BANQUE ERIC STURDZA

Since 1985, the Eric Sturdza Group focuses on its *private banking activities* under the lead of Banque Eric Sturdza. In 2009, a second private bank, *Banque Pâris Bertrand Sturdza*, was founded at the initiative of Eric Sturdza and three associates, Eric Sturdza being the principal shareholder. With the support of our Group, reference shareholder, and the dynamic activity of its co-founders, this bank swiftly increased its independence and we sold our share in 2018.
